**THANK YOU FOR APPLYING.**

Interviews for the LIT program will be held during Senior Session June 13-20, 2010. The program will consist of 24 LITs and 2 staff members. Each of the three sessions will include 4 girls and 4 boys. We take the LIT program seriously and will only invite participants who are willing to act responsibly and to work toward the goal of leadership at camp, in their parish, and in their youth group. This is not a time for extra “fun” at camp, but a time to learn and grow as a Christian and as a leader.

I agree to participate fully in the Leader-In-Training Program for which I am selected. I will put aside any personal grievances I may have toward other participants or staff members and keep an open mind and a positive attitude. I agree to work as a team member without complaint or negative comments. Should I have a serious problem with any situation, I will immediately talk in private with my counselors or the camp director.
